

Set Up Your Students in Classes

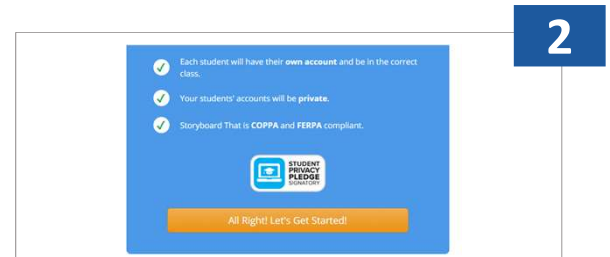

Step 1: Start from My Dashboard

Look near the “Students & Classes” dashboard icon.
Click **“Set Up Classes and Invite Students”**.

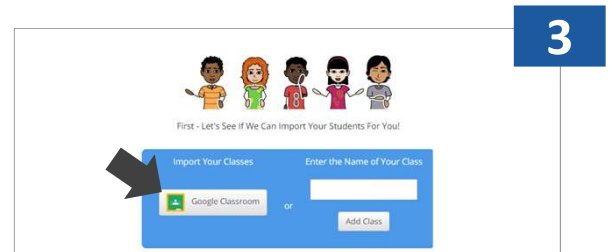

Step 2: Review Privacy and Security

We take student privacy very seriously.
Click **“All right! Let’s Get Started!”**

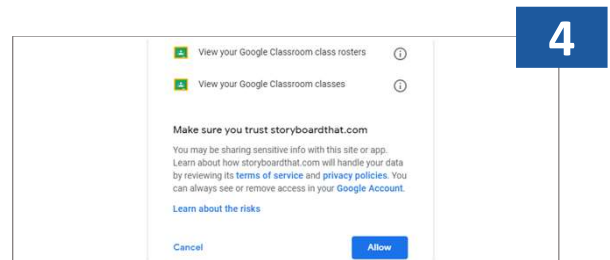

Step 3: Click the “Google Classroom” button.

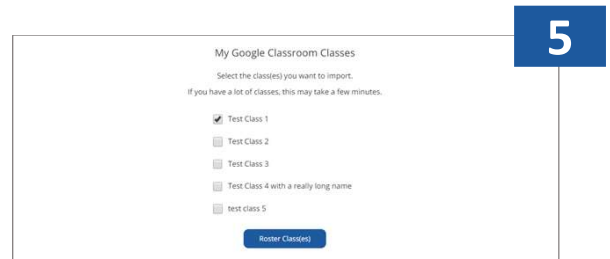

Step 4: Sign Into Your Google Classroom

Click **“Allow”**.

Step 5: Roster Classes and Students

Select your classes to roster from Google Classroom into Storyboard That. Click **“Roster Class(es)”**.

Success! Students will be in the correct classes & can log in with Google!

Students go to login.storyboardthat.com. They can log in by clicking the red **“Google”** button.
